General Meetings

13.

An Annual General Meeting shall normally be held once in every Year, at such times (normally within a period of not more than twelve months after the holding of the last preceding Annual General Meeting unless circumstances do not allow this) and place as be determined by the Steering Group. At this Annual General Meeting formal business matters of the organisation shall be considered.

14.

All other general meetings shall be called Extraordinary General Meetings.

15.

The Steering Group may whenever they think fit proceed to convene an Extraordinary General Meeting. A group of Representatives consisting of no less than one third (or the number nearest to but no less than one third) of the aggregate number of all the Representatives duly appointed by their Members may by written application to the Secretary, with no less than fifteen working days' notice, convene an Extraordinary General Meeting.

Notice of General Meetings

16.

A General Meeting, and any Extraordinary General Meeting, at which it is proposed to pass a Special Resolution shall be called by fifteen working days' notice in writing at the least, exclusive in either case of the day on which the notice is served or deemed to be served and of the day on which it is given. Notice shall be given to each Representative. The accidental omission to give notice to, or the non-receipt of notice by any person entitled to receive notice shall not invalidate the proceedings at any General Meeting.

17.

Every notice calling a General Meeting shall specify the place, the day and the hour of the meeting, If other than ordinary business is to be transacted, the notice shall specify the general nature of such business; and, if any resolution is to be proposed as an Extraordinary Resolution or as a Special Resolution, the notice shall contain a statement to that effect.

Proceedings at General Meetings

18.

No business shall be transacted at any General Meeting unless a quorum is present when the meeting proceeds to business. One third (or the number nearest to but not less than one-third) of the aggregate

number of all Representatives whom the Members for the time being are entitled to appoint shall be a quorum for all purposes.

19.

If within thirty minutes from the time appointed for the meeting a quorum is not present the meeting shall stand adjourned to such other day and at such other time and place as the Chair shall appoint, and if at the adjourned meeting a quorum is not present within thirty minutes from the time appointed for the meeting the Representatives present shall be a quorum.

20.

The Chair of the Consortium, failing whom either its Secretary or Treasurer, shall preside as chair at every General Meeting but if there be no such Chair or Secretary or Treasurer or if at any meeting neither of them shall be present within fifteen minutes after the time appointed for holding the meeting and willing to preside, the Representatives present shall choose one of their number to preside.

21.

The Chair may, with the consent of any meeting at which a quorum is present (and shall if so directed by such meeting), adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. It shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting (except where the meeting has been adjourned for thirty calendar days or more, when notice of the adjourned meeting shall be given as in the case of an original meeting).

22.

At any General Meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on the declaration of the result of the show of hands) demanded by

22.1 the Chair; or

22.2 no fewer than three Representatives.

A demand for a poll may be withdrawn. Unless a poll be so demanded (and the demand not be withdrawn) a declaration by the Chair that a resolution has been carried, or carried unanimously or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the minutes shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded for or against such resolution.

23.

If any votes shall be counted which ought not to have been counted, or might have been rejected, the error shall not vitiate the resolution unless it be pointed out at the same meeting, or at an adjournment thereof, and not in that case unless it shall in the opinion of the Chair be of sufficient magnitude to vitiate the resolution.

24.

If a poll is duly demanded (and the demand is not withdrawn) it shall be taken in such a manner as the Chair may direct and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Chair may appoint scrutineers and may adjourn the meeting to some place and time fixed by the Chair for the purpose of declaring the result of the poll.

25.

A poll demanded on the election of a Chair or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either immediately or at such time and place (including by post) as the Chair of the meeting shall direct, and any business other than that upon which the poll has been demanded may be proceeded with pending the taking of the poll. No notice need be given of a poll not taken immediately.

26.

On a poll, votes may be cast either by a Representative or by his/her proxy.

27.

Every Representative shall have one vote, and this shall not exceed one vote per institutional Member of the Consortium.

28.

In the case of an equality of votes, whether on a show of hands or on a poll, the Chair of the meeting at which the poll is demanded shall be entitled to a second or casting vote.

28.1

No resolution shall be rescinded or amended at the same meeting at which it is passed. Twenty working days' notice of its rescindment or amendment must be given, but the resolution shall not be rescinded or amended unless by the consent of the Members present at the meeting at which the rescindment is considered.

29.

The instrument appointing a proxy shall be in writing under the hand of the Voting Representative making the appointment and must be deposited with the Secretary, or such other place, if any, as is specified for that purpose in the notice convening the Meeting, not less than two working days before the time appointed for holding the Meeting or the adjourned Meeting at which the person named in the instrument proposes to vote or in the case of a poll not less than one working day before the time appointed for the taking of the poll and in default the instrument of the proxy shall not be treated as valid.

30.

The instrument appointing a proxy shall be in the following form or as near thereto as circumstances shall admit:

I, _____ a Voting Representative of the Consortium representing _____, hereby appoint _____ to vote for me and on my behalf at the General Meeting of the Consortium to be held on _____ (date) and at every adjournment thereof.

Dated:

Signed:

31.

The appointment of the proxy shall be deemed to confer authority to join in demanding a poll.

32.

A valid proxy shall, unless the contrary is stated thereon, remain valid as well for an adjournment of the Meeting as for the Meeting which it relates.

33.

A vote given in accordance with the terms of the appointment of the proxy shall be valid notwithstanding the previous death of the Voting Representative executing the proxy or the previous revocation of the proxy, provided that there has not been any written revocation of the proxy by notification to the Secretary or any removal of the Voting Representative under the terms of Article 11 of these Articles, before the commencement of the meeting or Adjourned Meeting or poll at which the vote is given.

39. The Chair of cpd25 shall also be an Officer of the Consortium. Due to the specialist expertise required in this post, the Chair of cpd25 will not be elected but appointed by a panel consisting of two Officers of the Consortium (normally the Chair and Secretary) together with an external expert in the field of staff development. The decision of the panel will need to be approved by the Steering Group and confirmed at the next General Meeting of the Consortium.
