- Rachel Pollard - The University of Buckingham
- **Sponsor: Stuart Hunt** - Director, University Library and Collection Services, University of Reading

# Task & Finish TOR

## Remit:

- Review and update the current resources
- Add lessons learned during the pandemic to the resources
- Identify new areas and develop additional resources required since 2018

## Aim:

- To keep business continuity resources up-to-date and comprehensive

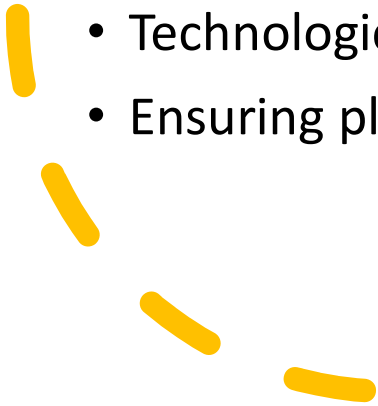

# Reviewing documents

1) Incident Control and Recovery Plan (Commentary and Tools) August 2018

2) Incident Control and Recovery Plan Template August 2018

- Difference between incident response and business continuity
- Lessons learned during the pandemic and the impact this has on our business continuity
- Technological advances in services such as e-resources and online support
- Ensuring plans would work without any on site presence

# Reviewing risk registers

- Reviewing documents
- Applying our learnings, particularly around large scale staff absence
- Anonymise these to create shared examples

## Next actions

- We are working through updating the documents
- The draft documents will be reviewed by the Business Continuity group by End of June
- The updated documents will be ready for Academic Year 2022-23
